Dear Business Owner,

The QUILT GUILD OF GREATER HOUSTON has designed an exciting new advertising program for the March 08 – March 09 year. Following are the benefits of your advertising investment.

As an **Advertiser**, your business will reach a guild membership of *nearly 400 quilters* each month, as well as quilters who visit our website.

Included:

1. your business listing in the membership directory;
2. your standing business card size space with links on the newly updated website www.qggh.org ;
3. your standing business card size space in the newsletter; or
4. your full-color ¼ or larger ad in each monthly newsletter, which can be changed each month.

If you choose to also become a **QGGH member**, you will receive additional benefits:

1. A special advertising rate for QGGH members;
2. A copy of the directory (for personal use only);
3. The monthly newsletter; and
4. All other rights of membership – fantastic speakers, inexpensive workshops, new product reviews, and more.

The online newsletter ads will be especially beneficial to your business in the coming year. Your **custom ad can be changed every month**, announcing your upcoming events, sales, coupons, block of the month series, etc. And, because the **ads are full-color**, they will get noticed!

The deadline is the **15th of each month for the next newsletter issue**. Copy must be furnished to us in digital format, or worded so it can be cut and pasted into your advertising space. An e-mail reminder will be sent to you on the first of every month.

Don't delay. The **deadline is March 15th for the April newsletter**. Please return the Advertiser form and, if desired, the Guild Membership form to the address listed above.

Come join us! An exciting year has already begun!

Sincerely,

Susan Carter, President
